FOR IMMEDIATE RELEASE

State Route 12 Roadway Repair in Sonoma County

SONOMA COUNTY – Next week Caltrans will begin paving on State Route 12 in Fetters Hot Springs, from Agua Caliente Road to Boyes Boulevard. One-way reversible traffic control will begin Wednesday night, May 18, and continue for about two weeks, Monday night through Friday night, weather permitting. Motorists should expect brief delays of approximately five minutes and allow additional time to reach their destination.

Lane Closure Hours

- Monday night through Thursday night from 11 p.m. to 7 a.m.
- Friday night from 11:59 p.m. to 8 a.m.

The roadway repair will involve removal of old asphalt and repaving. As the paving crew works through the area, residents may notice increased noise from mandatory backup alarms and removal of pavement.

If this work is delayed due to weather conditions, it will be rescheduled for a later time. Please drive cautiously through the construction zone, follow the directions of flaggers, leave a safe traveling distance between your vehicle and the vehicle ahead of you, and “Slow for the Cone Zone.”
